Administration, Faculty,

THANKS to people like our Board Members we have an opportunity to have an education. The only limits are the ones that we set for ourselves. These people spend many hours working so that we can have all the opportunities available to us on our road to becoming responsible adults. Thanks again for serving this school and community.

Several people helped with the yearbook who were not really on the staff. Rob Driskill and Scott Hughes helped sell advertising. Donna Strickland helped type copy.

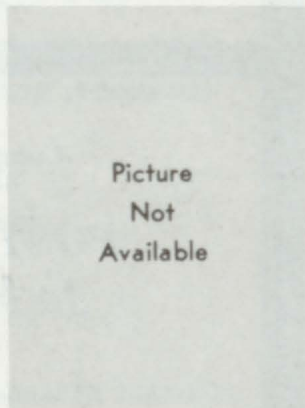

Tina Jackson and Laura Cobb were on staff for one semester. Staci Love and Nancy Reynosa were on staff for the full

year. The extra help that Nancy gave made the yearbook a reality. Thank you Coach Miller, Mrs. Maciel, Dr. Travis, and all the faculty for your help and patience with us taking pictures and interrupting classes. We appreciate you. Sponsor, Barbara Fisher.

Faculty and Senior Volleyball.

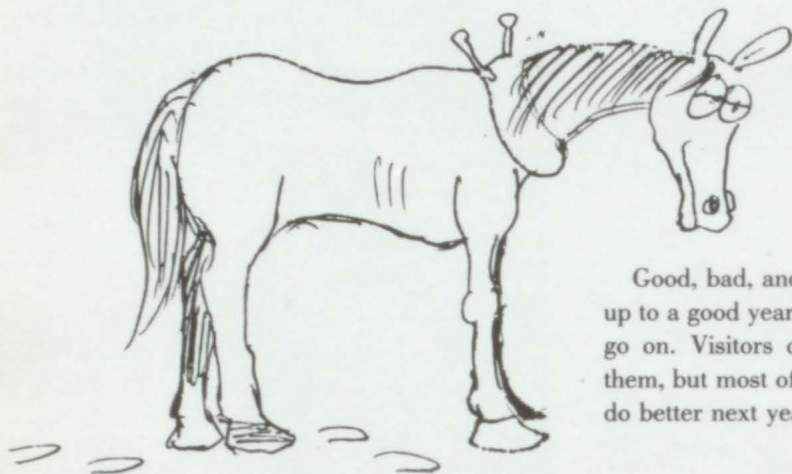

The Seniors-Faculty Volleyball game was a big success. The faculty won but the seniors reached 15 first. Mrs. Maciel, our cheerleader, had to be comforted when the seniors claimed they won. We

were not sure if Lloyd Nations was doing a war dance or a rain dance. Mrs. Carnes said she was only passing out refreshments; not bribing the umpire.

Good, bad, and in-between, it all adds up to a good year. Things change and we go on. Visitors come by and we enjoy them, but most of all we work together to do better next year.
