This year's Homecoming Festivities were really nice, considering it rained most of the day and the football field was covered with mud and water. Pregame activities began with the crowning of the Queen. The court consisted of Freshman — Traci Hudgins, Sophomore — Rebecca Daniels, Junior — Stephanie Melton, Senior — Paula Curtis. The 1988-89 Queen, Billie DeLaRosa, gave the crown away to Senior — Paula Curtis. Half-time was filled with excitement as the Bobcat Band, cheerleaders, and Blue Blazer Drill Team all performed. And we can't forget about the football players, who gave us an exciting game to watch. After the game was over students and faculty met at the gym for a Homecoming Dance sponsored by the Student Council.

SENIORS

Thoughts

It has its sad points just knowing this year is your last time to participate in sports and other activities.

Being a senior is "too far!"

The reason why I love being a senior is because I have reached my goal.

It's sad to know when graduation comes we will have to be adults and not kids anymore.

Being a senior is great! You feel like you're on top of the world. As I would say, "Go to Heck world, I'm a senior!"

One good thing to always remember is that growing up and starting your new life of your own is just part of life, so you have to make adjustments to live with it.

Being a senior is great. I get more anxious every day to graduate. At first I was sad, but, you get over the sadness when you think about going off to college.

Being a senior is the greatest thing in life. You feel like King Kong on the World Trade Center and no one can defeat you.

Being a senior is about the proudest feeling I have. Knowing I have achieved all of my grade school, and all of the friends I have met on the way. For the students in lower grades I leave a thought for you; Study hard, pass your classes, because nothing is better than being a senior.

There are a lot of wonderful things about being a senior, but it's not as easy as you think. The worst thing is having to leave your friends. But to look back at the most enjoyable years is great.

JUNIORS

The Juniors have worked very hard to raise money for the "Prom". Such Fundraisers include working in the concession stand during football season. The sponsors are Bobby Ruffridge, Cathy Nations, Paul Smitnson, and Stan Surratt. They are given most of the credit and also gave alot of hard work and time to prepare for the Prom.

Boy, look at all that excitement!

Smile, Christy.

Officers for the Junior class this year are Kelly Garrett-president, Jason Fuller-Reporter, Stephanie Melton-Vice President, Floyd Brown-Secretary and Treasure.

H.S. CHEERLEADERS

cheer (chir) *n.* 1 a glad, excited shout of welcome, joy, or approval [The crowd gave the team three *cheers*.] 2 good or glad feelings; joy, hope, etc. [a visit that brought *cheer* to the invalid]. →*v.* 1 to make or become glad or hopeful [Things are getting better, so *cheer up!*] 2 to urge on or applaud with cheers. —**be of good cheer**, to be glad or hopeful.

Above: The Bobcat takes a breather. Below: TVCC's and Fruitvale cheerleaders at the Homecoming pep-rally. Right: A pyramid of SPIRIT!

The H.S. Cheerleaders went to camp at E. Texas State Univ. They brought back the spirit stick and received all excellent ribbons for the evaluation of their performances. Billie DeLaRosa received UCA (University Cheerleaders Association) All Star. Since she received this title she had the opportunity to visit London and be in the All Star Christmas Parade. With the help of donations and fund raisers this became possible.

DRILL TEAM

dance (dans) *v.* **1** to move the body and feet in some kind of rhythm, usually to music [to *dance* a waltz or a minuet]. **2** to jump or bob up and down lightly or excitedly [waves *dancing* in the moonlight; children *dancing* with joy]. —**danced**, **danc'ing** *→n.* **1** the act of dancing, or one round of dancing [May I have the next *dance* with you?] **2** the special steps of a particular kind of dancing [My favorite *dance* is the polka.] **3** a party for dancing. **4** a piece of music for dancing.

This was the first year for a drill team at Fruitvale. The school has a reason to be proud of what the drill team has accomplished. The entertainment at half-time was great, and Mrs. Lacy and the Blue Blazers did an excellent job. The hallways looked bright during football season and that helped keep the Bobcat spirit up.

COMMUNITY LIFE

COMMUNITY LIFE

The Fruitvale High School had a lot of great things happen. The Fruitvale Fire Department came and showed a film over fire protection. The film was shown in the Fruitvale gym. The Fire Department is really rolling at Fruitvale.

The Fire Department has shown the students at Fruitvale how to escape and how to extinguish a fire the safe way.

Also included in the presentation was a demonstration on how to escape and extinguish a fire. The Fire Department is very helpful in their films, demonstrations, and work they do for Fruitvale.

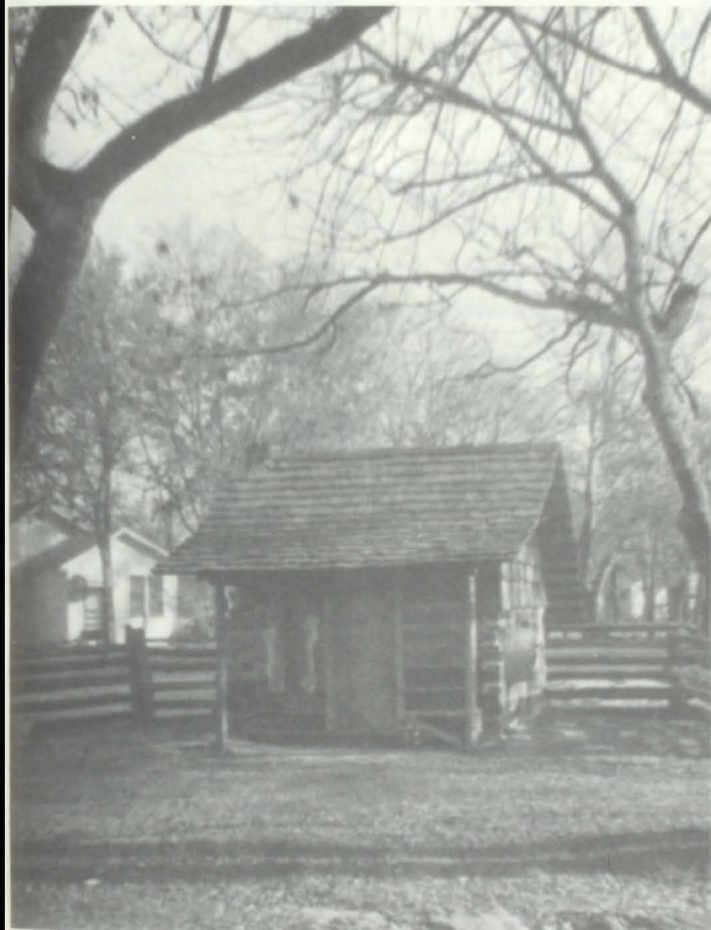

The people and students of Fruitvale are very excited at the homecoming games. The people pictured on the right are setting the victory line. Many parents, students, and ex-students are joined together at our homecoming. Everyone was getting ready for the big game that follows the coronation of our homecoming queen.

The homecoming games at Fruitvale really excite the people and get the Bobcat spirit going. Homecoming games seem to be special among the people of Fruitvale.

When homecoming at Fruitvale comes around it really gets the spirit rolling.

THE PAST ROLLS INTO FRUITVALE

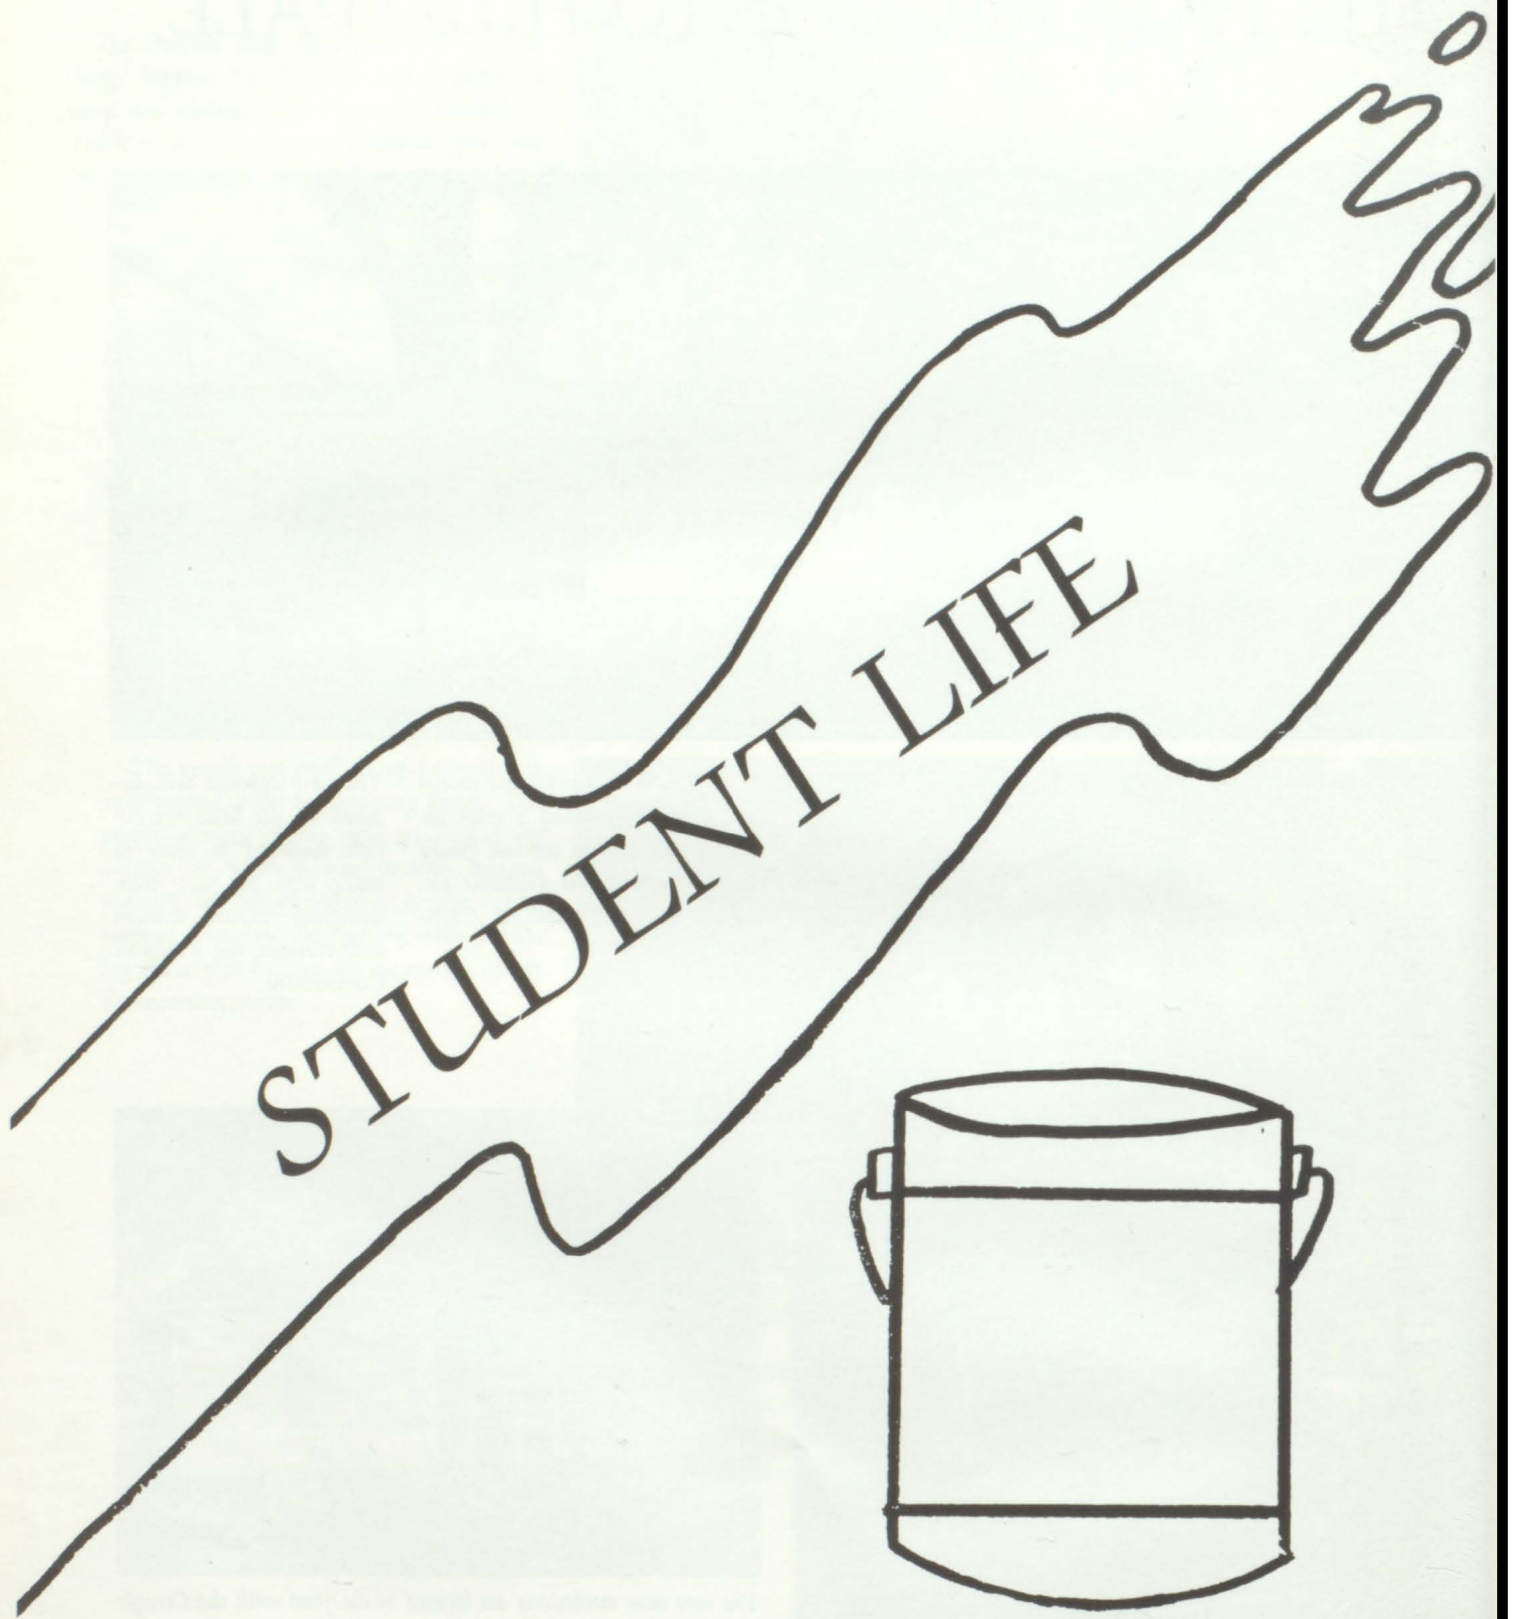

This year we expanded our tourist attractions by adding a train caboose. The ancient caboose gladly joined the longtime Fruitvale exhibit — THE PIONEER CABIN.

The new caboose was donated by the Missouri Pacific Railroad in order to make way for new technological railroad devices and enhance the Fruitvale Community.

The two new attractions are located in the yard with the Creagle Home.

The American and World History classes went to Dallas to the sixth floor exhibit to see the history on President John F. Kennedy who was assassinated by Lee Harvey Oswald on November 22, 1963. They had to wear headphones and listen to a tape as they went around exploring. They also had to watch a movie about the history on J.F.K. which was very interesting.

UPDATE

UPDATE!!! The old Gray Mare surely is not what she used to be but she is still rolling along, and somehow she still gets where she is going. On the 90 BOB CAT she kept coming to a washed out bridge or a locked gate but when the annual staff of 91 got her bridle she got on task and got the job done right. We may have missed a puddle or two in the road but we arrived at the destination.
