Community Involvement

Many people in our community attend our programs. Others help at school or with field trips. The Student Council sponsors events throughout the year, one such event was the blood drive. Everyone at school really appreciates all the things that our community does.

Left to right, top to bottom:

- (1) Jonathan Smith is giving blood at Stuart Blood Mobile Unit at school.
- (2) Alberto Olviza is having fun after the school Christmas Program.
- (3) Terry Tolar, Tyler Firefighter, visits with Mrs. Neals 4B class.
- (4) Santa came to the Christmas Program.
- (5) Matt and Tanya Herron help with a field trip to the zoo. Standing between them are Lauren Hamm and Mallory Watkins.
- (6) Sheb Smith with his son, Cody, at the Christmas Program.

Administration

Our superintendent, Dr. Don R. Travis, below left. Next is our High School Principal, Stan Surratt and next to him is our Elementary Principal, Peggy Carnes. At the bottom is our school Board. Standing is Matt

Herron, Bill Adams, Janey Sizemore, and Tommy Garrett — President. Seated are Nancy Allen and Cathy Tull — Secretary. Not pictured is Les Darcy — vice-president. Our board puts in many hours trying to do

the best for our school. A kindergarten student when asked if he knew who Dr. Travis was once said he was our "Stupintendent".

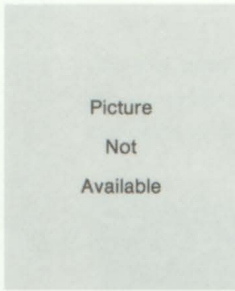

High School Principal Stan Surratt is working while his son, Ryan is looking on. He probably thinks that Dad's job is easy, just tell everyone else what to do.

Joyce Whatley at right is our District Wide Counselor. Joyce Driskill below left is our Business Administrator. Susan McCann is our Administration Secretary. Bottom left is Lynn Gilmer, our High School Secretary and bottom right Helen Hudgins is our Elementary Secretary. They are all very hardworking. There are numerous reports and bundles of paper work that they have to get done while we are all asking questions and they are also answering the telephone while they juggle all these jobs.

Since our cafeteria is too small for everyone to be there at one time lunches start at 10:30 and are served until after 1:00. The cafeteria also operates a snack bar where the students can purchase hamburgers, french fries and other fast foods as well as snack foods.

Bus Drivers & Maintenance Personnel

Our bus drivers and maintenance are the best. It is really wonderful to be able to have someone fix something when you have a problem or build something when you need it. Best of all are the smiles they give you as they work.

"A Tribute To"

Only the Best

*Praise God in all His Glory
When He returns to reign on Earth*

*Let us rejoice and live the story
As He comes for His church*

*Through the Heavens we will fly
Straighter than any arrow*

*To meet the Saints on high
And with our loved ones we will gather*

*As the hosts of the Lord hasten
For a battle like none has seen*

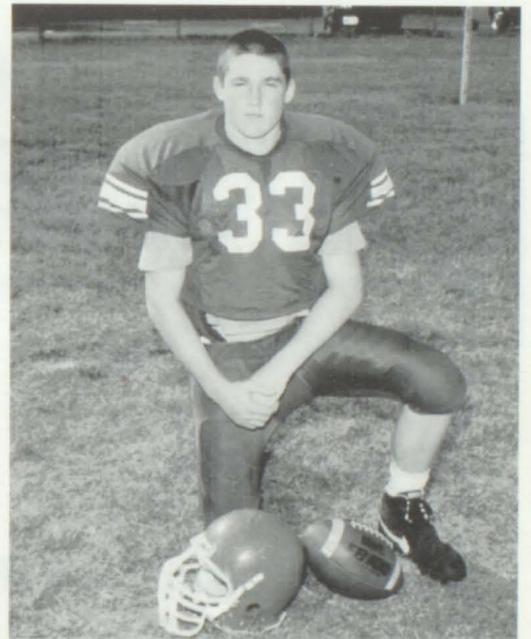

*There'll be many who've been chosen
To serve and fight for the King*

*Each Warrior is picked Special
For talents superior than the rest*

*We then shall again see Johnny
For the Lord wants only the best.....*
