For the first time since 1987 the Bobcats won their district and advanced to the playoffs. The Bobcats played Abbott at Rice lost by a score of 98 to 65, sounds like Basketball instead of football. Who ever heard of losing to football game with a score of 65.

CAUGHT.....

.....playing "Who Wants To Be A Millionaire". Jennifer Johnson and Bob Pickens are probably playing and wondering where Barbara Fisher is since she is usually involved also.

.....with a really strange expression. After getting an award Erin looks "different". Maybe the award was different.

.....trying to get everythign organized. Mr. Johnson is getting everything ready for a "GO" at the Academic Awards Assembly.

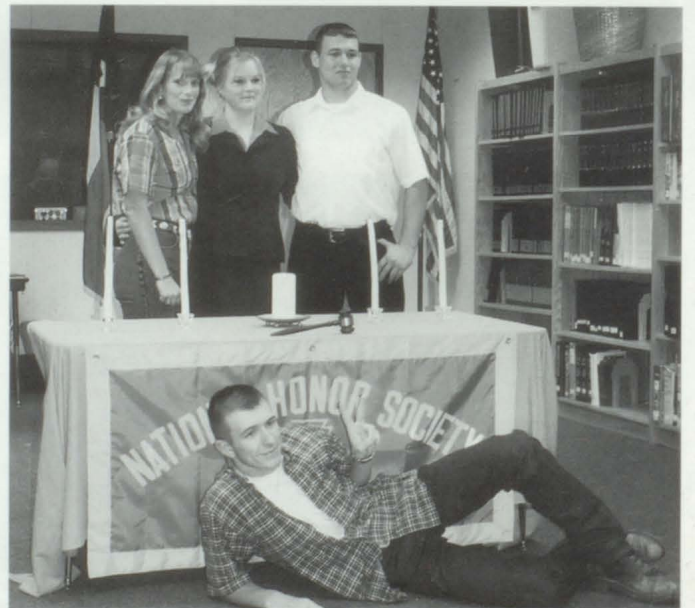

.....hamming it up for the camera. Richard Vaughn, David Jones, Christi Wood, and William Foster are enjoying posing.

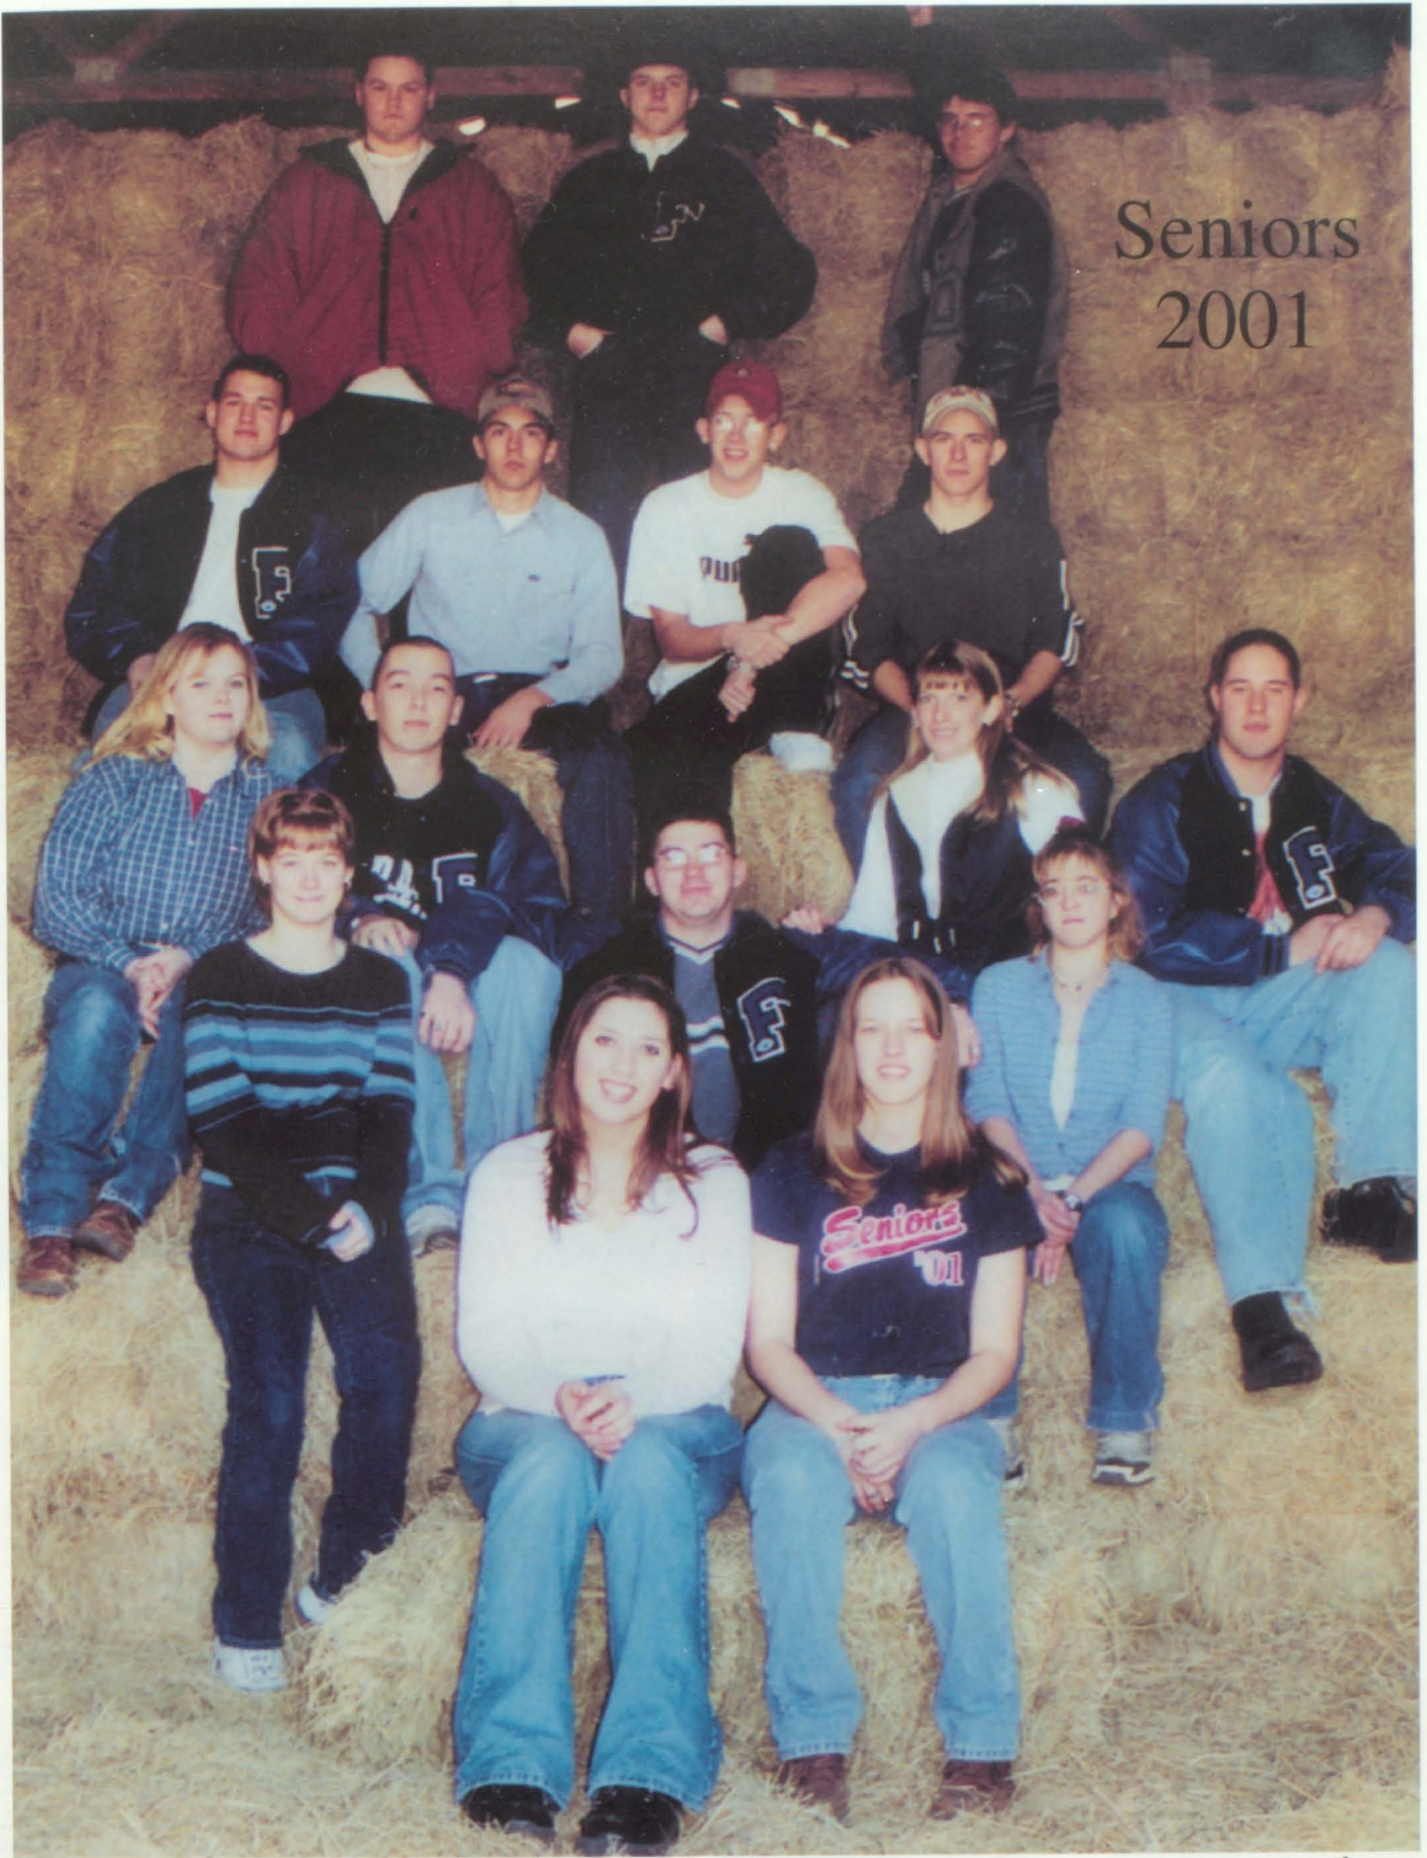

....smiling and getting along with each other. Dally and Delia Gonzalez do not always smile at each other.

.....trying to be a part of the NHS. Do you suppose that Josh Kuykendall thinks that being in the picture is all it takes to be a member of the NHS?

.....taking down the flag at the end of the day. Peggy Carnes, the Elementary Principle, has some help getting the flag folded correctly.

Administration, Cafeteria,

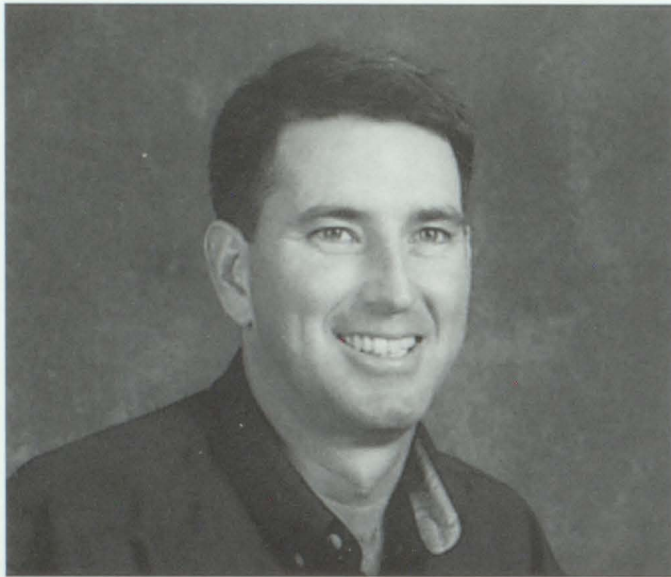

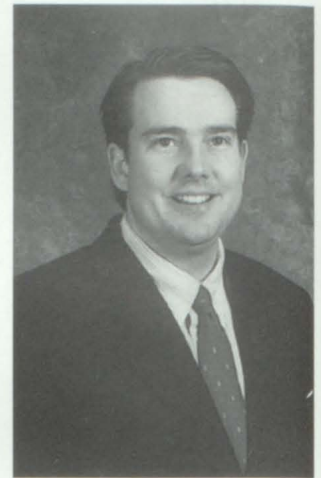

Joyce Whatley, school counselor, works with all the school campuses. She talks with the students as well as helping to coordinate giving TAAS and many other things.

Peggy Carnes, our Principal in Elementary School. She runs a "tight ship." You can always depend on her knowing how things are going and how to get things done that need doing.

Mid Johnson, our new Principal for High School and Middle School this year. He has been a welcome addition to our school. Bringing new ideas and willing to use tried and true methods that work.

On the far right are our board members who put in lots of LATE hours trying to make it possible for our students to succeed. Starting on the left is Bill Adams, Sheb Smith, Catherine Tull — Secretary, Tommy Garrett — President, Jennifer Johnson, and Carlos Pipes.

Above is Stan Surratt, our Superintendent. Stan has been doing a good job.

On the right is Tommy Garrett, board President presenting a plaque for her years of service to Janie Admire, board Vice-President, who is going off the board this year.

Elizabeth McGuire

Custodians, & Bus Drivers

These three ladies keep us all straight. Tina Jones on the far left is the "Girl Friday" in the Superintendent's office. She is the one you see when you go in the front door. Next to her is Helen Hudgins, the Elementary School Secretary, the one who helps keep the elementary staff and students informed and up to date. Lynn Gilmer, on the immediate left, is the High School Secretary. She is the one who gives directions when people come for help. The paper work that these three people do while they juggle all their other "jobs" is a miracle.

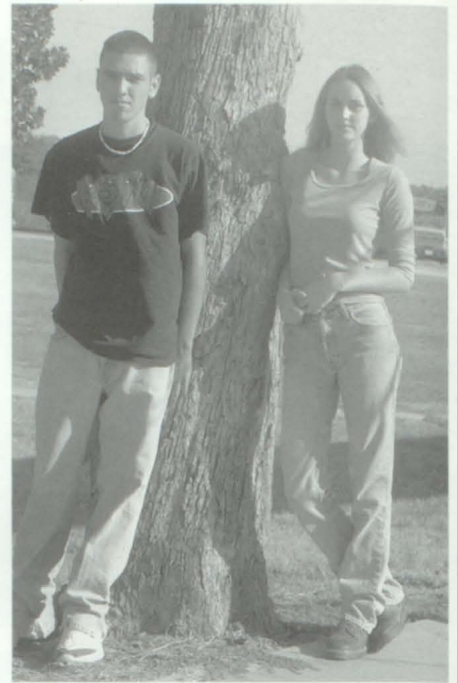

Leland Carter in his part time role as Custodian.

Susan McCann, the Business Administrator, keeps everyone informed of what they need to know. Carl is shadowing her in this picture.

The Cafeteria workers are pictured with their "costumes." On the far left is Earline Fisher, the head of the Cafeteria. Next to her is Barbara Abrams, Lucille Warren, Julie Littlejohn, and Nancy Allen. Others not pictured who have worked this year are Peggy Grover and Jeanette Wise. These ladies feed between 350 and 400 people five days a week. How would you like to look at that much food or that many children everyday? Our maintenance men are Duane Ray and Rudy Godfrey. Mr. Rudy is pictured above with some of his tools of the trade. Douglas Dockery, Kenneth Joslyn, Elizabeth McGuire, and Leland Carter among others have tried to keep us clean in Middle School and High School this year. Elementary has had better luck with their people, Angie Soules and Venetta Morgan, who have stayed the course. Bus Drivers have been a mix all year. Mrs. Fowler started the year but didn't stay long. Since then we have had Brent Copeland and Bob Pickens. Duane Ray has driven all year and Bernie Hale came on later in the year and stayed. Mr. Johnson and Mr. Surratt have filled in much more than either planned. But they work good.

Fruitvale High School Personalities for 2000 - 2001

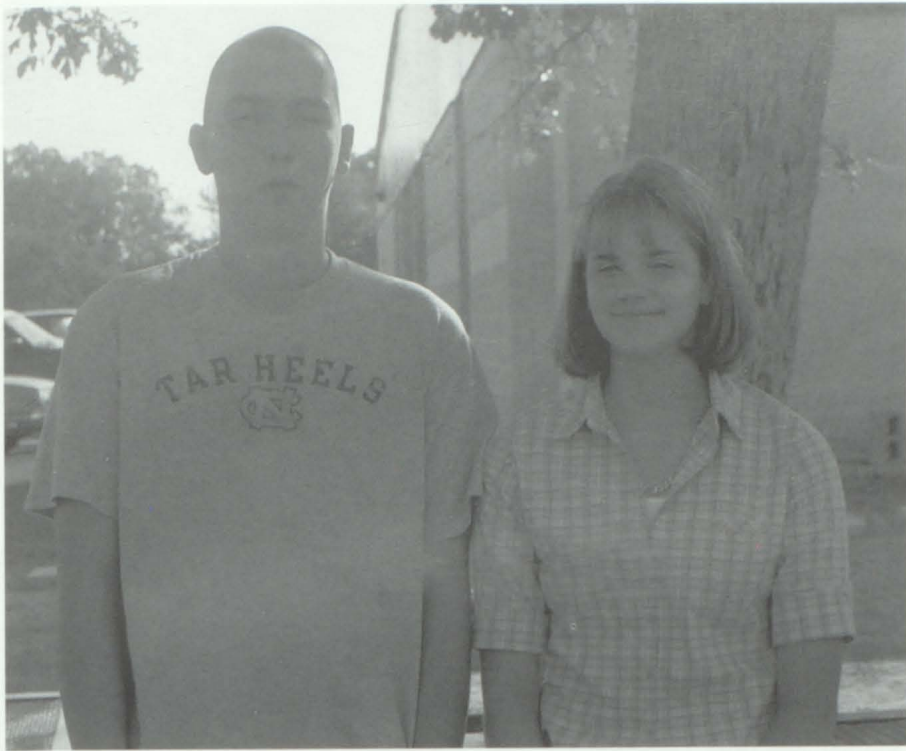

Above is a group of our personalities, David Alexander who was voted most intelligent and most likely to succeed. Cecil Pogue who was voted best all around. Donny Jones who was voted most courteous. Cassie Griffin who was voted best all around, most intelligent, friendliest, most likely to succeed, and most courteous (sounds like she is a keeper). Josh Kuykendall who was voted friendliest (I wonder, do you need to look at people to be friendly?).

To the top right is Mason Pogue and Jennifer Koonce who were voted most athletic.

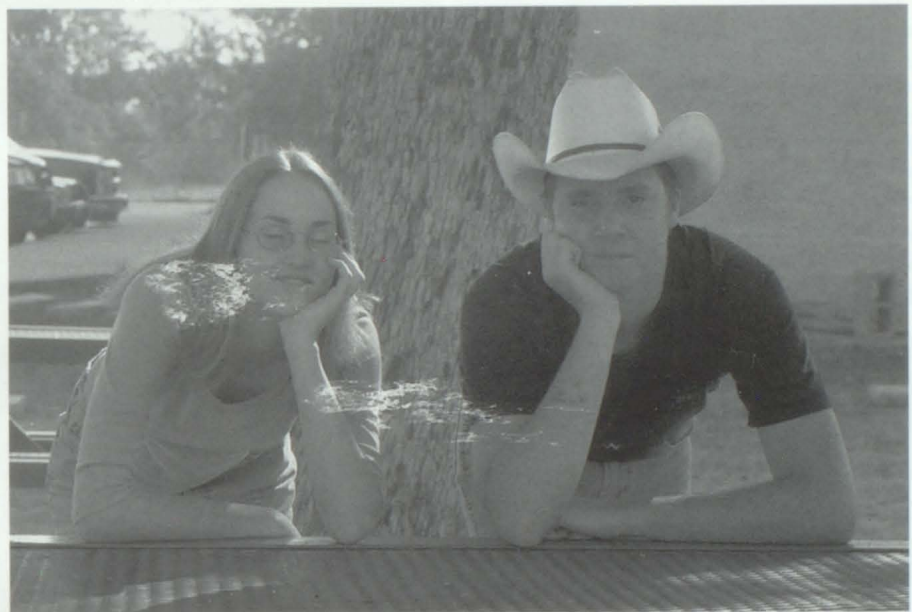

Right middle is our self proclaimed, most masculine, James Tull and most feminine Mandy Graham.

To the far left is Josh Kuykendall and Amanda Hoffpauir who were voted most flirtatious. Now who could have possibly thought these two were flirts?

To the right is Cecil Pogue and Erin McCann who were elected wittiest. Their wit adds to our enjoyable student population.

Above is the school clowns Jennifer Koonce and Stephen Pipes.

Middle left is David Kinsey who was voted most handsome and Rachel Waits who was voted most beautiful. We get to enjoy looking at our handsome and beautiful students every school day.

Lower left is Josh Graham and Rachel Waits who were considered best dressed. Is "best dressing" expensive?

To the left is this years favorite teachers Rebecca Bain and Bob Pickens.

Graduation 2001 Headed in a New Direction

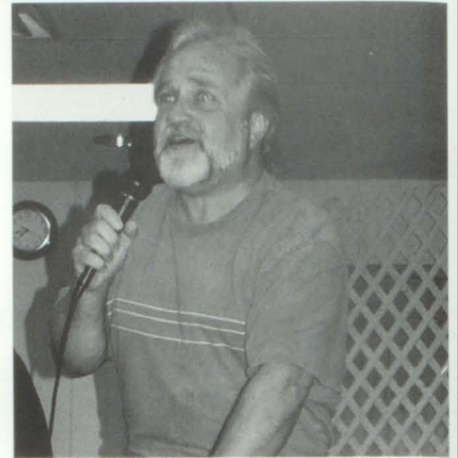

The 2001 Fruitvale High School graduation was held on Saturday, May 26. There were numerous awards given to several of the seniors. The Hallie Randall Award of \$200 and the H.E. Travis Award of \$200 was given to David Alexander. The H.E. Travis Award of \$200, the Student Service and matching PASS Award of \$500, the Johnny Lewellen Memorial Scholarship of \$750, and the Estelle Elliott Award of \$200 were all presented to Cassie Griffin. Miranda McConnell received the Elsie Fagg Award and the Alverine McWhorter Award of \$200. Rachel Waits, David Kinsey, and Chaz Lewis all re-

Our senior class just minutes before going on stage. In the back row are Billy Black, Chaz Lewis, Kenny Davis, David Kinsey, and James Tull. Next to the top row are David Alexander and Josh Kuykendall. In the middle top row are Josh Graham, Miranda McConnell, and Rachel Waits. In the second from the front row are Claudia Talbott, Cassie Griffin, and Donny Jones. In front are Brandi Parrish and Lori Malcom.

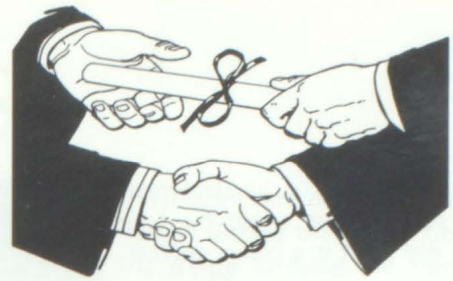

ceived \$1,000 in scholarship money if they wish to attend any of the Career Colleges & Schools of Texas. Claudia Talbott received the Sheriff's Scholarship for \$500. David Alexander and Miranda McConnell received the honor of being named as scholar athletes from the U.S. Army Reserve. David Crain spoke to the seniors about all different kinds of LOVE they had and would encounter and that the first cost of Love is commitment.

David and Cassie are holding the framed copies of their Valedictorian and Salutatorian honors. Our principal, Mid Johnson had them framed for the students.

David Crain, the motivational speaker at the 2001 graduation, gave everyone a laugh as well as some good ideas to think about. He had the date down wrong and the start of graduation was held back to allow him to get here.

2001 and 2013

The 2013 graduating class starts with Mrs. Jackson's group. They are Sophia Grimes, Cody Harman, Sarah Johnson, Chance Jones, Lance Fowler, Estephany Servin, Anna Taylor, Dalton Fehl, Chelsea Watson, Stephen Williams, and Kevin Woodrum.

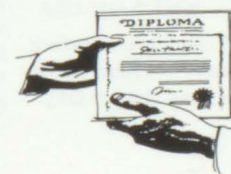

Mrs. Lambricht's group are in the back Allen Wheeler, Luke LaPrade, Tyler Jones, Austin Freeze, Colton Harman, Frisco Hodge, and Mrs. Lambricht. In the front are Jana Conner, Cheyenne Stone, Sarah Johnson, Carley McGlothlin, Indy Daugherty, Kelly Soules, and Katlyn Gilmer. Behind the students are some of the "Coats of Arms" that High School students made for the HSTW program.

Every year our graduating seniors give flowers and hugs to loved ones. This always brings out the tears and this year was no exception.

If you can relax before the big night this group is. As you can see they are trying to get a deep breath and relax before starting the walk to the stage. This group as sophomores passed TAAS with 100%. You can't do any better than that. applause applause.

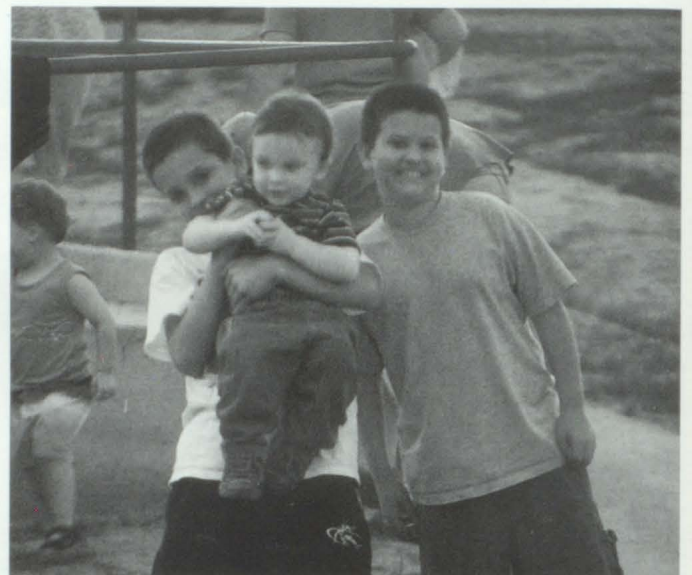

Activites,

Kasey Jackson, an elementary student won a bicycle from Wal Mart in a poster contest.

Indy Daugherty, one of Mrs. Lambright's snowmen (women?).

Some people take part in the games and some people like to "think" that they are too important to take part in such mundane activities. Josh Kuykendall and James Tull seem to be in the last category.

Ian McCann, Blake Johnson, and John White are having a good time at the Lindale ball field while the girls Softball Team are winning their playoff game against Overton.

The ESL students went on a field trip to Tyler. In the back are Fernando Servin, Apolinar Alvizo, Catalina Lara, Beatriz Servin, David Lara, and Patricio Servin. In the middle are Norberto Alvizo, Michael Alvizo, Gustavo Servin, Cris Sanchez, Adriana Torres, Gabreila Sanchez, and Angelina Garcia. In front are Brenda Alvizo, Estefany Servin, and Alberto Alvizo.

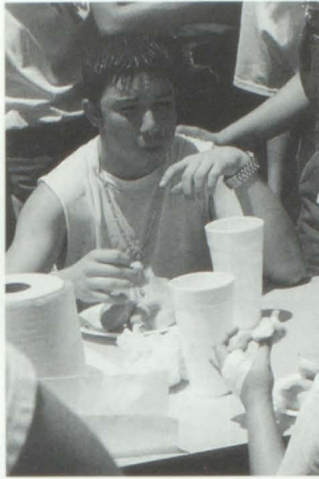

Our Ms. Byrd can fill in anywhere someone is needed. Here she is conducting the band at a pep rally.

Our Principle, Mid Johnson, seems to be needing money to pay for his drink. It did get hot at the Pall Mall Games.

Fun & Games

William Foster is racing his horse toward the rings. He is trying to spear the ring with his "lance".

Grant Bugg looks as if the donuts don't taste as good after about a dozen. He is competing in the "Who Can Eat the Most" contest.

Jamie Tipps is getting ready to try to win the Juggling Contest.

David Alexander and Fernando Servin are going all out trying to win the Log Carrying Event.

Heather Barnhart looks as if she has thrown a "Javelin" before. Just look at it fly.

Cecil Pogue, Cody Williams, Cassie Griffin, Cody Akins, and Kenny Davis are all dressed up for Renaissance Day.

The History Club sponsored a Weapons Contest and Patricio Servin won with the shield and sword pictured above. Others that entered and won second and third were Cory Hukill, Cory Ferguson, and Phillip Tillery.
