Quotes of the Day:

It doesn't rain all the time,

so when it does make

the most of it.

There are not shortcuts to anywhere worth going.

The world is simple,

it's just full of

complicated people.

Shyness has a strange element of narcissism.

A belief that how we look, how we perform,

is truly important to other people.

There are no failures,

just experiences that

don't go as planned.

Getting to Know Mrs. Kinsey by Jamie Smith

Q. How do you like Fruitvale compared to the other schools you've taught at?

A. She likes Fruitvale because it is small, the teachers all know each other well, and because the classes are smaller, there can be a one on one interaction with teacher and student.

Q. How is the STUCO organized and what happens during meetings?

A. "The officers lead their own committees and the members are dispersed in all the committees. During meetings, committees come up with activities for the school that deal with what their committee is in control of."

Q. What is some advice you would give to this year's senior class?

A. "Go to college, GO TO CLASS, and take notes."

Q. If you could get your students to understand one thing, what would it be?

A. Life is expensive and you need a career to make it through.

The Extra Point by Ian McCann

The varsity basketball teams had two great games on Tuesday against ETCA. Both the teams came out hard and played the whole game. The girls didn't have a very good year last year but started off the new year great. The boys went two rounds deep in playoffs last year and started off the new year with a big win as well. The girls score was 42 to 14. The boys score was 54 to 14. The girl's next home game is on December 1st against Eustace. The boy's next home game is on December 8th

It's Random by James White

The Great Wall of China was originally created to keep Chuck Norris out. It failed miserably.

Chuck Norris originally appeared in the "Street Fighter II" video game, but was removed by Beta Testers because every button caused him to do a roundhouse kick. When asked about this "glitch," Norris replied, "That's no glitch."

If at first you don't succeed, you're not Chuck Norris.
