Fruitvale School

The Fruitvale School is located on a beautiful ten-acre campus donated by H. E. Travis in 1939. The present building was built in 1938-1939 by the WPA. At that time, the building housed ten grades. Later the school dropped the ninth and tenth grades and has remained to the present with only eight grades. In 1971 a new gymnasium and cafeteria were added.

The annual stew and Halloween carnival is always a big event. Each year finds more pots of stew and more people enjoying the fun and games at Fruitvale.
