## Learning for Today

All the world is a stage,  
And all the men and women merely players.  
They have their exits and their entrances;  
And one man in his lifetime plays many parts.  
(As You Like It — Shakespeare)

The quality of our lives becomes enriched by the activities we pursue, from the very moment we enter school.

The memories of the years linger for awhile, come and go, but recorded on the pages of time will live on forever.

The cherished moments of our activities, the parts we play and the roles of those who touch us will always be remembered.

The highlights of each year will be recalled with joy and exultation as well as . . .

those times of sadness and disappointment which made us stronger and more determined to perfect our parts.

Every role we play takes on new meaning and depth. Our minds and our hearts become encouraged as we develop a new sense of character and understanding.

We learn to become part of a group and contribute our share in the role needed to complete a group activity.

A feeling of accomplishment takes on new meaning when we complete a task we thought was too difficult or advanced for our part in the scenes of life.

We shall always remember those who have contributed to the development of our years of schooling and efforts. Their values become our guidelines for the future, and our hopes, dreams, and aspirations become a reality.

Some of the roles, of which we dreamed, have been accomplished at this time, but we shall take on new roles in the years to come, and it has been these situations that have developed our basic needs, knowledge, and understanding to guide us for the part we will play when this phase has been completed.

Many things will be forgotten, but many things will live on in our lives as we . . .

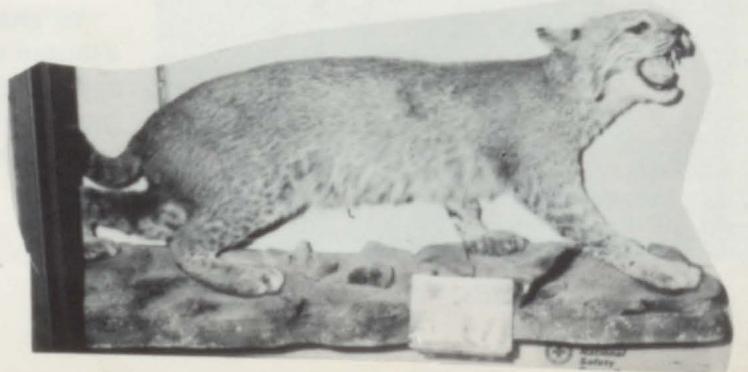

## LIVE FOR THE FUTURE

We have developed our minds, bodies, and our values by the lives of those that touch us and we will continue to do this by the association of those round about us.

Places, events, and people will come and go, but Fruitvale High School will live on forever as we played our role in each school activity.

"I am very proud to be a part of the Fruitvale School System. It is a privilege to work with a faculty and staff who truly are concerned about their students. Also I would like to express my gratitude to the students of Fruitvale School for being the fine young people you are. I am confident that by working together, we can reach goals we have set for ourselves to provide the very best for the students of our community."

We will fight for thee

Class Prophecy

HERE IT IS 10 YEARS LATER, SINCE THE JUNIOR SENIOR PROM OF 1983. LITTLE DID WE REALIZE WHERE THESE PEOPLE WOULD ALL BE.

Janice: I heard you went back to the Homecoming at Fruitvale.  
Kevin: Yes I did.  
Janice: Well what's happening back home?  
Kevin: They now have specialized maintenance Department. *Danny Tubbs* is in charge of maintenance now. And guess what? Every bus owned by the school, which is 3, is in proper running order.  
And on the door of the Science room is a picture of Dr. *Jeckyl* and Mr. *Hyde*. Sh Sh, Everyone must be really quiet. *Mrs. Adair*, the scientist is trying to invent a periscope that will go from the Science room to the study hall, so she won't have to leave her room.  
Janice: Well, I heard that Fruitvale now has a new Fashion Design Center. Known as *Slezz's* Department Store. It is owned and run by *Diana Haptonstall*. Her special seamstress is *Laura Clarke*. If you plan to have something made, you need to give at least 3 months notice. It takes *Laura* a little while longer since she is also a kindergarten teacher for all 6 of her own kids.  
Kevin: That's right, and you know *Tim Driskill* owns his own car lot in Grand Saline. Better known as *Sweethearts* lovely lemons. *Christopher "Smiles" Johnson* paints these beauties so the resale will be better. *Chris* now needs a computer as his last painting of the Game Palace Tycoon just sold for 1 million dollars.  
Janice: What's the Game Palace?  
Kevin: The Game Palace is a chain of Game rooms operated by *Lucky Long Legs*. They extend from A to G.  
Janice: What's A to G?  
Kevin: A — Athens, B — Brownsboro, C — Canton, D — Dickerson, E — Edgewood, F — Fruitvale, G — Grand Saline. *Mary* is really a chain operator now. I guess it runs in the family.  
Janice: Did you say *Dickerson*?  
Kevin: Yes  
Janice: There is no place in that area named *Dickerson*.  
Kevin: Yes, it's named after the famous *Mark Dickerson*. That's the Headquarters of the *Dickerson Race Track*.  
Janice: Oh Yeah?  
Kevin: He's the Big Wheel. He always did go around in Circles. *Little Mama's* Cafeteria is right next door to the Race Track. *Karen Morgan* is doing a good business there. She takes the money as soon as you enter the door. And *Susan Rutherford* has her own successful door to door business. She sells *Avon*, *Stanley Products*, *Mary Kay*, *Merle Norman*, *Fuller Brush Products* and *Amway*. Her business is known as *Susie's Super Duper Sales and Service*. Well what have you done lately?  
Janice: I went to the Championship Volleyball games held in California. The finalists were playing. Coaching The New York Jiffies was *Cooter* the

Coach, but she was not around. Late as usual, she walks in as her team is handed the trophy. Naturally they hand it to *Sandra*. *Sandra* goes into shock and is carried to the hospital where she is treated by Doctor *Teresa Tubbs*. Te Te is now the Head Surgeon for Heart Transplants at *Rebel Memorial Hospital*.

Janice: Yes, This is the famous Heart Clinic built, owned and constructed by *Darren Joe Smith*.  
Kevin: You mean *Darren Joe* constructed it?  
Janice: *Rebel Memorial Hospital*?  
Kevin: Yes, and the Head Welder was *Marty Daugherty*. His Crew Consisted of 10 Little Loggerheads.  
Kevin: Guess who I saw while I was in Washington this week?  
Janice: Who?  
Kevin: *Stephen Jones*.  
Janice: Oh, Really?  
Kevin: Yes, he's a famous painter. He just finished painting the White House. The only problem was after hearing the Department of Maintenance talk about painting the town red, he thought they meant the white house itself, so you guessed it, it's now red.  
Janice: Oh, well, it now matches our national debt. We're always in the red.  
Kevin: While I was there, I stopped into *Barnum and Bailey Circus*. Yes, you know we have an ex-graduate there now, who just wrote the book, "How to Look Slim and Get Rich." She's featured as *May-May*, the fat lady from *Fruitvale*.  
Janice: You mean *Mavis Berry*?  
Kevin: Yes, Have you seen any of the gang?  
Janice: Well, yes in concert the other night I saw *Valeria Jack* singing "Just a Swinging." We asked who designed her punk rock clothes, and she told us *Debi Jones*, who is now the renowned designer of *Barbie* doll clothes.  
Kevin: I also heard that *Mike Moran* now is happily married and works nights at the Salt Mine. That works out real well so he can watch *Days of Our Lives*, *General Hospital* and all the TV Commercials.  
That way he gets to see his classmate, *Johnny Williams*, who does the advertising for *Penzold*. He's taken *Arnold Palmer's* place on TV.  
*Johnny* seems to think his 72 Oldsmobile is indestructible. *Helen Shelton* has other ideas. She has started her own wrecking yard now. She has a good supply in only 10 years. Her slogan is "My Business is Picking UP." You remember *Mrs. Carnes*, their sponsor. She keeps *Helen* in business. She buys all her fenders there now.  
Janice: I was in New York and attended a special performance of the New York Rockettes. *Tammy Watson* is the choreographer for the dancers.  
*Karen Ralph* now conducts the music for the Rockettes. Will they ever learn anything besides,  
Every Junior: M I C K E Y M O U S E  
Kevin: That's All Folks

Class Will

LAST WILL AND TESTAMENT SENIOR CLASS FRUITVALE HIGH SCHOOL 1983

Being of sound minds and mostly fantastic bodies we do bequeath the following:  
To all Junior *Danny Tubbs* leaves a thought: Respect the teachers, do the work, and graduate.  
*Mike* leaves his Harley Davidson T-Shirt to *Clayton*.  
*Valerie* gives her bus seat to *Lisa Petty*.  
*John Williams* leaves his car to *Ronnie*.  
*Chris Johnson* leaves his Blue Beard to *Dana Hall*.  
*Laura* leaves *Janice* her locker.  
*Darren Smith* leaves the secret of partying all night and making it to school to *Dale*.  
*Sandra* will give *Tommy* her parking space on the condition that he repaints the lines and HER name.  
*Susan* leaves her books to anyone stupid enough to stay in school 16 years.  
*Diana* leaves Mr. *Gulou's* business classes to *Shirley Jones*.  
*Mike Moran* leaves all his sargents drills to *Kevin*.  
*Mary* gives, gladly, her study hall with the seventh grade to *Clayton Jordan*.  
*Mavis* leaves her elementary teaching to *Kim*, *Brandon* and *Tommy*.  
*Marty Daugherty* leaves "old faithful" to *Brandon C*.  
All the Senior girls will themselves to Mr. *Nations*.  
*Diana*, *Debi*, *Danny*, *Tammy*, *Tim*, *Darren*, *Mike* and *Karen* are not leaving the Sr. table in 5th period study hall because there isn't anyone good enough for it so we are taking it with us.

*Teresa* leaves all her terrific cheerleading experiences and ability to *Margie*.  
*Valerie Jack* gives the nickname "Wophead" to *Dana*.  
*Susan* leaves all her worries about partying on Sunday nite to *Little Barry Clifton*.  
*Mary* and *Teresa* leave their "Black Beauty" to anyone with enough soul to handle it.  
*Tammy* leaves a front seat on *Stephen Driskill's* bus to *Dana* so she won't need to ask anyone for a ride.  
*Susan* leaves the ability to put away a little more to *Alaina* and she also leaves *Stephen* to *Sherry*.  
*Tim Driskill* leaves *Tim Mosley* his welding hat.  
*Karen Ralph* leaves *Sheb Smith* a hard time.  
*Mary* and *Te Te* pass down the good looks, charm and terrific bodies they got from *Ka Ka* and *Shellie* to *Ann* and *Julle*.  
*Diana* leaves the fun of the One Act Play to *Pat* and *Dale*.  
*Sandra* and *Debi* leave *Karen F.* and *Kim M.* their volleyball uniforms to wear with pride.  
*Tammy* leaves her ability to keep up with things to *Margie*.  
Each Senior will take with them their own very special memories, but we leave behind the things that make these memories — the spirit and pride of achievement that is *Fruitvale High School*.

# HOMECOMING

Homecoming for 1982-83 included several activities. The cheerleaders sponsored a different dress-up for each day of the week. The student who portrayed the best school spirit for dress-up was Kim Martin, who was awarded a Bobcat Jacket. The school sponsored a contest to select a school flag. This was won by Chris Johnson, Dale Gibson, and Jeff Clarke. Placques were awarded to Ruth Tull for being the person in attendance from the earliest class, and Shelli Evans for traveling the farthest distance for homecoming.

In pre-game activities, the 1981-82 Queen, Miss Debi Jones, crowned Miss Sandra Carroll, Homecoming Queen for 1982-83.

A reception was held in the homemaking cottage to honor all Exes.
