Ms. Clark called the meeting to order. The October 17, 2018 meeting minutes were presented. Mrs. Bain made a motion to approve the minutes. Mrs. LaPrade seconded the motion.

Nurse Karla gave a SHAC update. The Fantastic Teeth presentation for first grade went well. The awards assembly for the first nine weeks was successful with over 100 family members in attendance. Fourteen faculty members participated in the Health Matters clinic, and almost all of our students are up to date on their immunizations. Everyone was encouraged to help with the Thanksgiving Luncheon, as this is a huge community outreach event for our school district each year.

Officer Perkins reviewed the Emergency Operations Plan and gave a safety update. He is attending classes and will be implementing more efficient safety procedures. Officer Perkins emphasized the importance of preparedness and timely warnings for dangerous situations. Warning systems should be tested on a regular basis. There was some discussion about tone and volume of alarms. He explained that there will be a quick verification whenever an alarm is sounded before an administrator issues a total evacuation to ensure safety. Officer Perkins discussed a few revisions to be made to the EOP. Mr. Masterson made a motion to accept the EOP revisions and safety update, and Mrs. Bain seconded the motion.

The meeting was dismissed. The next meeting will be January 9, 2019.
