April Fun Facts!

Let's dive into some fun things about this month:

- **April Fools' Day** (April 1st) - Who doesn't love a good laugh? On April 1st, everyone gets to play silly pranks on friends and family. Just make sure your jokes are fun and not too tricky!
- **Springtime Magic** - April is like the Earth's big wake-up call! Flowers start to bloom, trees get their leaves back, and cute baby animals like bunnies and birds appear everywhere. It's nature's way of saying, "Hello, spring!"
- **April Showers = May Flowers** - April can be rainy, but that's a good thing! Those spring showers help flowers and plants grow, so by May, we get to enjoy beautiful, colorful blooms all around us.

April is full of magic and laughter—what's your favorite part of the month?
