

Bobcat Nation,

Good Afternoon. UIL rules have become stringent this year in regards to fan expectations at games. The expectation of spectators for Fruitvale ISD is to be supportive participants for our student-athletes and community. **Fruitvale ISD will not condone nor tolerate spectators complaining or ridiculing the teams participating, opposing fans, game officials or coaches. We want our kids to have a positive experience as a student athlete, and allow them to compete and play the sports they cherish.**

Parents and spectators should be aware that Fruitvale ISD can remove them from the premises and can prohibit them from attending future contests due to undesirable behaviors. Game officials may also ask that school administrators have fans removed from a contest facility. **Spectators must understand questioning calls by officials, expressing dissatisfaction with officiating, officiating from the stands, etc will not be tolerated by the officials association and can result in the removal of the spectator from the facility.** The Texas Association of School Officials organization has a three strike policy. After three incidents in which any spectator has to be removed at the request of the officials, the organization can refuse to officiate our games. **Without officials, we cannot play the game. Students will then not be able to participate in that sport because officials will not come to our district. We cannot play the game these young people love without officials.**

Coming to the team bench or onto the court/playing field or team bench area can result in an ejection, as no parents or spectators are allowed on the court or field unless given permission by coach or administrator.

**Upon two strikes against our district we will begin playing games without spectators. We will not put our kids in a position not to be able to play because of fans. Fans ejected depending on the situation may not be allowed to attend future contests, so please remember this at the contest, you want to be able to see the kids compete.**

**If you want to attend school contests, we ask you exhibit self control and be there to support the kids, coaches and officials. We want you there to cheer and be a positive factor at games. Please let me know if you have any questions.**

Sincerely,

Brad Gibson  
Athletic Director

Rebecca Bain  
Superintendent
