

Hallie Randall Elementary students were serious about competing with four other schools at the December 3rd UIL meet in Yantis. 53 students represented their school in the academic event, and they did so with style and class. There were 27 events in the competition with Fruitvale placing in 16 individual events and placing in 18 team events. Twenty-five students were also awarded individual ribbons/medals for their exceptional effort. The hard work and dedication by the students and coaches proved to be effective in elevating Hallie Randall Elementary to an overall ranking of second Place at the academic event.
