

Fruitvale ISD | Library Materials Review

Fruitvale ISD wishes to take great care in selecting new library materials for our elementary and secondary library collections. We do not wish to expose our students to library materials with profane content or indecent content. The state of Texas applies the definitions of *profane and indecent content* as outlined in the FCC broadcast guidelines. Library materials includes any book, record, file, or other instrument or document in the school district's library catalog. Instructional materials and materials in TexShare are not considered library material for the purposes of this law.

The Junior and High School campus seeks to add books to the secondary library collection. The district would like to ask our parents, students, and staff to review the proposed list of new library materials. The attached list will be posted for 30 days. If you have any questions or concerns, please contact Cesily Peeples, the assistant superintendent at (903) 896-4729.

- Make the list of materials proposed to be purchased or donated to the school library available for public review for 30 days before final approval
- Approve all library materials propose to be purchased or donated to the school library in an open meeting, considering the advice and recommendation of the local school library advisory council if one was established
