

Fruitvale ISD – Child Nutrition

Fruitvale ISD began serving free breakfast and lunch each day to all students in 2014. Fruitvale is proud to continue to serve free breakfast and lunch each day to all students through its Community Eligibility Provision (CEP)

Student Accounts:

Parents may prepay funds into their child(ren)'s account for the purchase of snacks, extra items, etc. If sending money with a small child, please place the funds in an envelope and note the child's name and grade in order to credit the appropriate account. Payments may also be made in either campus office, the administration building, or the cafeteria. There is a "No Check Cashing" policy. Checks made out to the school cafeteria will be fully applied to a student's account. **For your convenience, you may add money to your student's cafeteria account for snacks and extras at this link.** www.lunchmoneynow.com/lmnfrv. Charging will not be allowed for snacks, a la carte items, drinks, ice cream, or extra meal components.

Prior to withdrawing a student, the school campus will contact food services to confirm if there is a credit balance. If there is a credit balance, the parent may elect to have the funds refunded or donated to the child nutrition program. If a refund is desired, the parent must provide a valid address and a check will be issued with the district's monthly check run (third Thursday of the month)
